“We do not learn from experience...we learn from reflecting on experience”
“Method means that arrangement of subject matter which makes it most effective in use. Never is method something outside of the material.”
“We can have facts without thinking but we cannot have thinking without facts.”
Spotlighting Standards

“Give the pupils something to do, not something to learn; and the doing is of such a nature as to demand thinking; learning naturally results.”
The school must be "a genuine form of active community life, instead of a place set apart in which to learn lessons."
Engaging Students

“The most important attitude that can be formed is that of desire to go on learning.”
Mastering Metacognition

“All learning begins when our comfortable ideas turn out to be inadequate.”
